

ASKING FOR HELP!

Due to Coronavirus and social distancing to help flatten the curve of those infected, we are UNABLE to host our annual Easter photos and farm Easter egg hunt event. These events are our largest fundraisers for the year!

Therefore, we are asking for donations to help with feeding the animals and to pay our ongoing vet bills for spay/neuter/overall health (balance over \$3,000 now).

We are a non-profit organization that offers a safe place for unwanted bunnies until they are able to be adopted. All bunnies are required to be spay/neutered before adoption. We currently house 30+ bunnies. As you can imagine, this level of care for numerous bunnies is costly on a monthly basis. Any funds help and are extremely appreciated! Donations are tax deductible, just ask for a receipt! 😊

- Donate cans & bottles through our non-profit BottleDrop account
